

PRODUCT SPECIFICATION

SAFETYWARE Non-Woven PP Beard Cover

- The SAFETYWARE Non-Woven Beard Cover is specially designed to maintain strict hygiene in sensitive environments such as food processing, healthcare, laboratories, and clean rooms.
- Made from high-quality non-woven PP material, it effectively prevents beard hair and skin particles from contaminating products or work areas.
- The lightweight and breathable design ensures all-day comfort, while the elastic headband provides a secure and snug fit for various users.
- Disposable and economical, this beard cover is a practical solution for workplaces requiring consistent hygiene and safety standards.

APPLICATIONS

- General Industrial Use
- Clean rooms & Electronics Manufacturing
- Laboratories
- Food & Beverage Industry
